

4. SINIF ÇARPMA YAZSIL

A vertical addition problem template. It consists of three rows of boxes. The top row has three black-outlined boxes. The middle row has two boxes, the left one with a blue outline and the right one with a red outline. The bottom row has four red-outlined boxes. A red 'X' is positioned to the left of the middle row. A red '+' sign is positioned to the left of the bottom row. Two thick red horizontal lines are drawn across the middle of the problem, one below the middle row and one below the bottom row.
